SUBJECT: Argentina: Demarche on Montreal Convention Delivered

Ref: State 149107

Political and Civair officers independently delivered reftel U.S. ICAO and Proliferation Security Initiative position paper to Mr. Carlos Hernandez, MFA's office of International Security, Space and Nuclear Issues, and Mr. Marcelo Cesa, North American Desk Officer. Neither official had any substantive comments at the time. Cesa relayed that he had circulated the paper to relevant GOA CivAir offices and Hernandez said he would need to share the information with other offices in the MFA. Post will follow up with GOA interlocutors on this issue and report.
